The Navy League of the United States,

I would like to sincerely thank you for awarding me with The Navy League of the United States Gerard M. Mauer Memorial Sword. To my displeasure, I was not able to receive the award personally because I was unable to be in attendance at the Villanova Spring Review. However, I am very grateful to receive such a great honor. I am very appreciative that the Navy League found time to attend our review and present the fantastic award. I would also like to thank your organization for providing so many great opportunities for our midshipman at Villanova.

Very Respectfully,
